

ELECTIO Trim

Cutting versatility and automation for **everyone**

ELECTIO Trim

Electro Trim is equipped with a

rotating blade cutting head in hardened

steel, mounted on a sliding tube. The metal parts are painted with epoxy

powder that guarantee high resistance

to cuts and scratches. The standard

model includes a stand for ground

positioning with adjustable feet, the container for the collection of waste

and a lamp that illuminates the cutting

Main features

WHAT IS? ELECTRO
TRIM is the most popular
cutter among small digital
printers, service centers
and design agencies who
are looking for a practical,
safe, comprehensive and
intuitive system to cut
printed papers, adhesives,
PVC banners and other
light substrates.
